TIMELYPAY

Incentivize Shifts with TimelyPay

Encourage staff members to pick up extra shifts—even late-night and holiday shifts—with access to pay the next day in their bank, debit, or prepaid card, at no cost to your employees.

Managers can select the shift that they want to sponsor with TimelyPay and PayActiv will do the rest of the processing—Employees can access up to 65% of the earned wages for sponsored shifts, PayActiv fronts the money to the employees and gets reimbursed by the employers on payday.

> ***TimelyPay is a game-changer, it helps us fill hundreds of shifts every month, allowing us to focus on the best care for our patients, and our team members benefit from the extra cash at hand.***

Boost Employee Morale

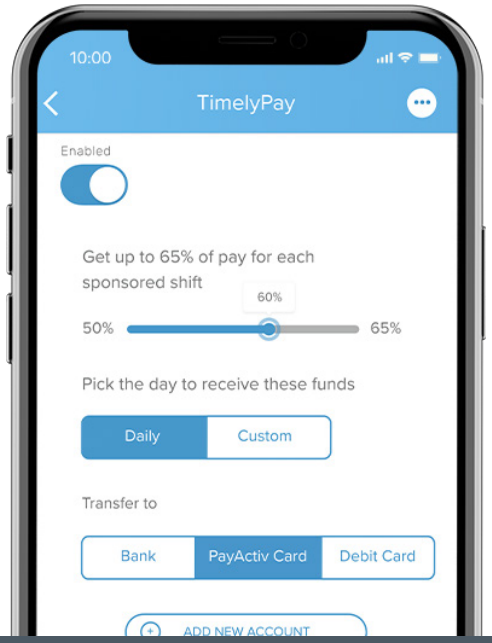
Employees are able to pick up some extra shifts and get paid the very next day.

Improve Customer Satisfaction

Provide the best customer service with your trained staff instead of relying on contractors.

Reduce Staffing Agency Costs

Fill the less popular shifts with positive reinforcement for your staff.



How it Works

1. Employer sends sponsored shift data to PayActiv.
2. PayActiv processes the data and deposit funds to employee bank account, debit card, or prepaid card.
3. At the end of the pay period, PayActiv submits deductions to the employer.
4. On payday, the employer returns funds to PayActiv via ACH.

Employer Cost: $5 for up to 3 sponsored shifts per pay period, $1.49 per additional shift. PayActiv invoices the employer monthly. **Employee Cost:** $0.
