The complete workforce  
agility platform

Work is changing fast.

And it's getting harder for organizations to keep up, widening a workforce readiness gap between organizations and their people. The wider the gap grows, the more it can lead to unrealized revenue and underperformance.

To close the gap, organizations need workforce agility. The best way to grow it within your organization is with a complete workforce agility platform like Cornerstone Galaxy.

#### With Cornerstone Galaxy, you can:

- ✦ Develop the right skills quickly
- ✦ Connect the goals of your people and managers
- ✦ Design the workforce you need today and tomorrow
- ✦ Evolve to meet the unique needs of your organization

To be agile, you need a flexible platform with a breadth of options that can easily grow with you through any future changes.

#### Cornerstone Learn

Develop your people with both assigned and self-directed learning to rapidly upskill and onboard them, close compliance gaps, and drive engagement and retention.

#### Cornerstone Elevate

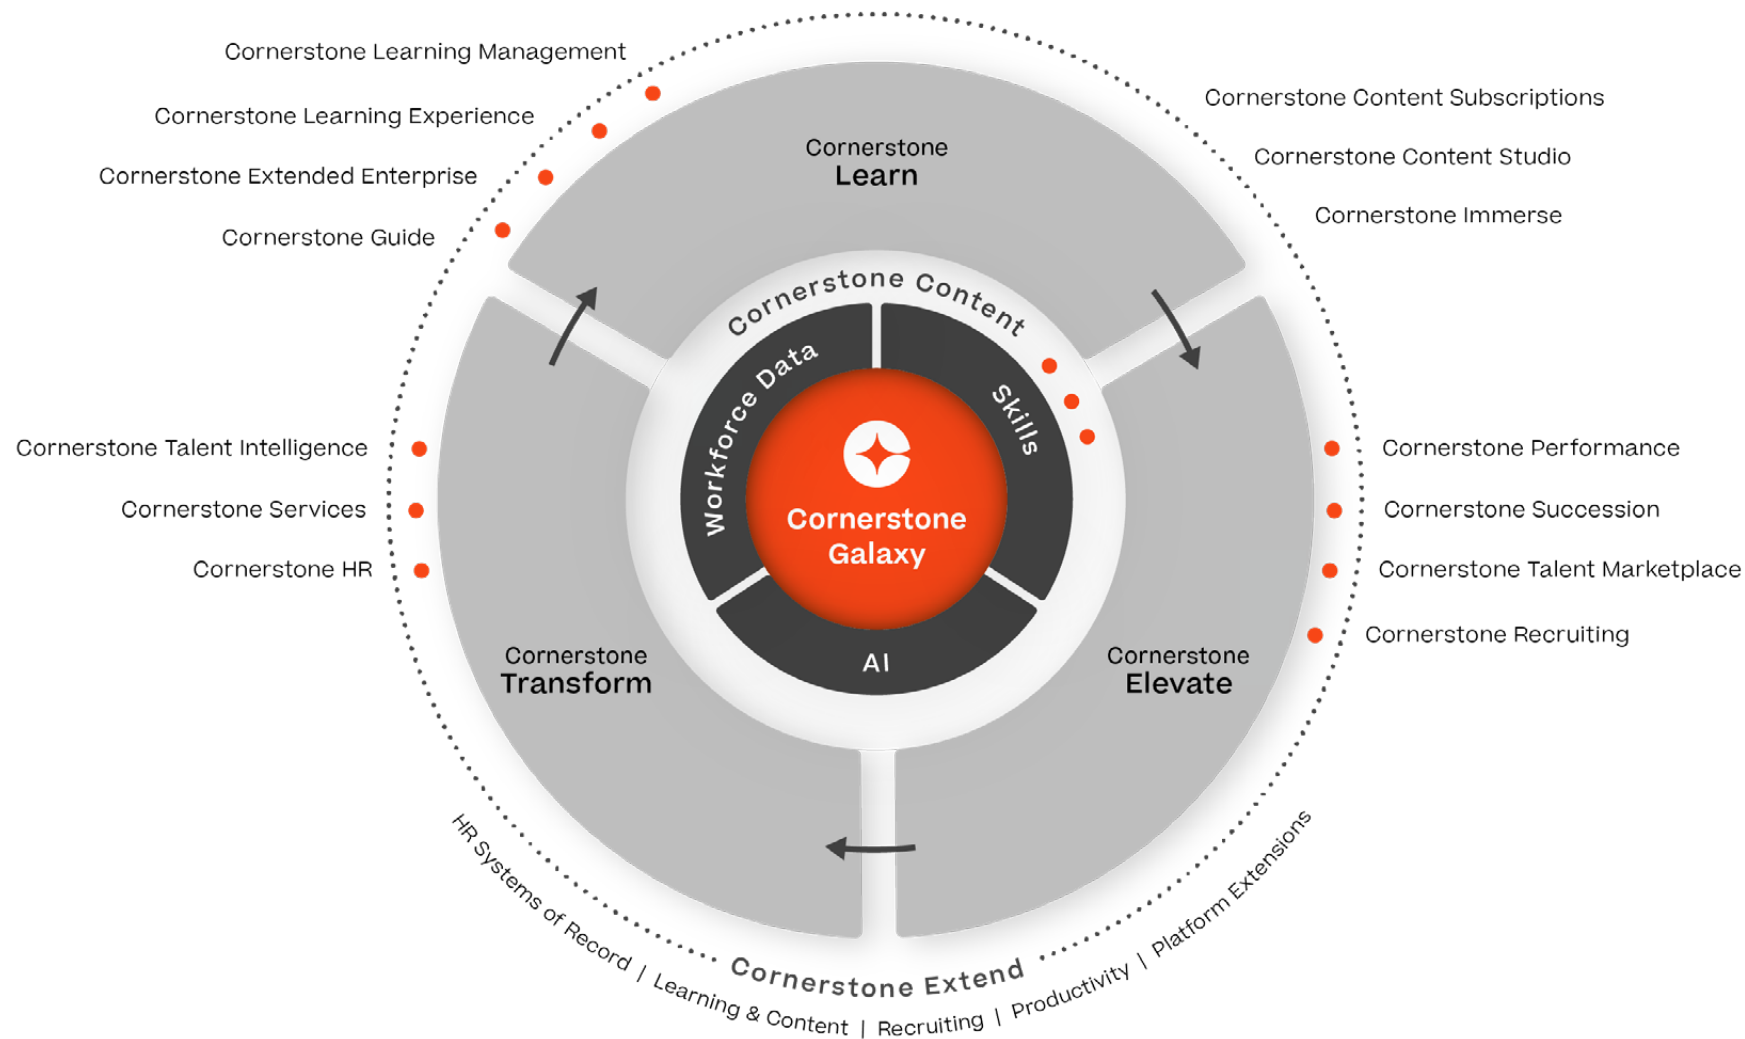

Accelerate performance and career mobility by enabling employee-driven and manager-supported growth. With continuous performance management and access to internal jobs, projects, and gigs, you can retain high performers and match the right people to the right roles.
