DATABASICS Time & Expense

Powerful, easy-to-use time management and expense reporting solutions

Help simplify your timesheets with DATABASICS Time and your expense reporting with DATABASICS Expense. Together, our solutions give you features and flexibility to help you get down to business. Help streamline your processes and rest assured that everyone in your organization is working from the same playbook — no matter where they are.

View everything in one place.

A single view and one process for entry and approvals equals unparalleled ease of use. Employees can access DATABASICS anytime, anywhere, on any device to submit P-Card charges, track mileage and reimbursements, submit hours, and more.

Streamline your processes.

Help eliminate errors, delays and redundant processes. We offer one central system for managing attendance, submitting expenses, tracking projects and maintaining compliance.

Quickly adapt as your needs change.

More configurability makes it easy to adjust even during fast-moving periods of change. Take control with the data and oversight you need to monitor and enforce rules.

Get real-time data to help your bottom line.

DATABASICS gives you the real-time data you need to create and maintain accurate budgets. A centralized view of everything in one simple-to-deploy system can save you time and money from day one.

Gain visibility to make smart decisions.

Big-picture insight enables quick and better-informed decisions. Now you can finally give payroll, accounts payable and HR total visibility into employee activity across your organization.
