

KioskClock™ lets employees clock in and out from any smartphone or tablet using an easy 4-digit pin.

It's perfect for any company with staff in a single location, like an warehouse or construction site.

- ✓ Touch-Screen Time Clock
- ✓ Foolproof Facial Recognition
- ✓ Employees Clock in & Out in Seconds
- ✓ Pin Privacy Protection
- ✓ Android & iOS Compaible
- ✓ No Hardware Needed
- ✓ Portable from Site to Site

KioskClock™ replaces messy paper time cards and old-fashioned time clocks with a sleek kiosk any one can use.

ClockShark's Powerful suite of time tracking tools is durably designed for construction and field service companies seeking an easy alternative to inefficient paper timesheets.
