

COVID-19 Special Offer

The best way to get through this? Together

In response to the COVID-19 crisis, Labor In-Sight is putting the Services Timecard at your service.

For the next 2 months, we are offering our product free of charge and without any commitment on your part.

Service Timecard

Simplify the way you record your billable and non-billable hours for any project or client account. Anywhere, anytime.

Track hours efficiently

Track all your billable and non-billable hours by project or client account.

Simplify the process

Your staff can record hours from any location and on any device - desktop or mobile.

Accurate timecard

Get more accurate timecards by automatically identifying incorrect or incomplete entries.

Automate your transfers

Automatically manage all timecard transfers for your employees according to your set of rules.

Easily integrated

Customers can be up and running in less than 2 weeks on Workforce Dimension and Central.

Centralize your process

All the billing accounts and staff working hours are centralized in one place.

“ In the USA, 19.3 million people in professional services are leaking 59 million hours at \$150/hour, resulting in 8.8 billion dollars lost each day. ”
