

Peanut Butter Student Loan Assistance

Frequently Asked Questions

As an ADP® customer, how do I start offering Peanut Butter Student Loan Assistance to my employees?

ADP customers can simply install the Peanut Butter solution from ADP Marketplace for their ADP payroll platform. Peanut Butter integrates with RUN Powered by ADP®, ADP Workforce Now® and ADP Vantage HCM®.

What are the costs?

Clients should log in to ADP Marketplace to view all pricing information. Prices vary by the size of an organization and by the type of benefit offered.

How does Peanut Butter's integration help me as an ADP customer?

Peanut Butter's ADP integrations reduce the time spent on administrative tasks and helps improve the accuracy of typical Student Loan Assistance programs. The integrations allow ADP clients to automatically invite new hires to the Student Loan Assistance program, suspend terminated employees, and record company contributions to student loans as imputed income on employee paychecks.

How long does it take to implement Peanut Butter Student Loan Assistance?

From purchase to kick-off, it can take less than an hour to complete.

What if I don't know how to structure this benefit offering to my employees?

Peanut Butter can help you determine how many of your employees hold student debt and how to design your Student Loan Assistance program in order to accomplish your company's unique talent and business goals.

What else will I need to do to begin offering Peanut Butter Student Loan Assistance?

To maximize the positive impact of your new benefit offering when you roll it out, Peanut Butter provides an employee communication toolkit. We are also available any time for questions or assistance.
