

Empower Learning

Your employees and partners remain the driving force behind organizational success.

Keep them engaged, informed and aligned to your goals with Absorb LMS.

Fuel Continuous Learning— and ROI

Easy-to-Use: Get an intuitive UI that gets your team up and learning fast and keeps them coming back.

Flexible & Scalable: Seamless setup and integrations meet both your learner and system needs—even as you grow.

Actionable Insights: Prove ROI for your learning program with a wide variety of reports, customized dashboards and more. Always know where your program stands.

Responsive Support: Experience attentive technical support dedicated to keeping you up and productive. You'll always get a human who works for Absorb. Yes, really.

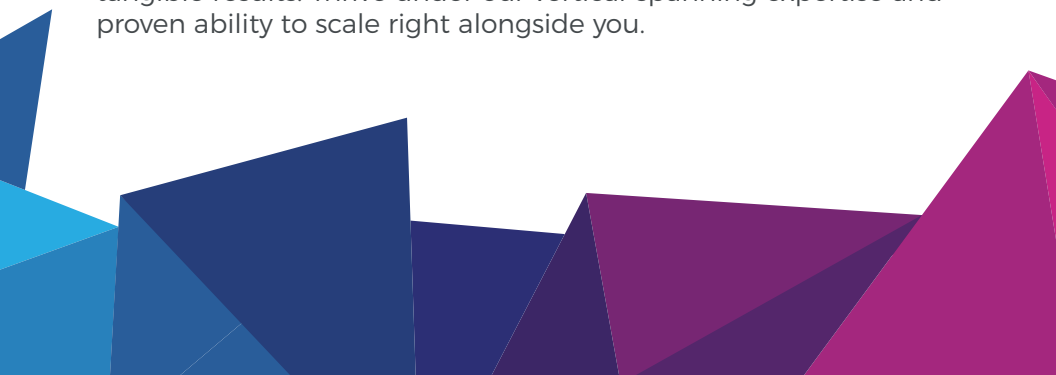

Inspire Learning Everywhere

Elevate learning and development through a unique combination of forward-looking technology and personalized service. Absorb is a cloud-based learning management system (LMS) designed to boost engagement and learning outcomes.

Whether you're training internal employees, external audiences or worldwide partners, onboarding staff or developing new skills, Absorb meets you where you are.

Join a growing, worldwide community of customers who are building learning cultures within their organizations and driving tangible results. Thrive under our vertical-spanning expertise and proven ability to scale right alongside you.

Why Absorb?

- Award-winning, easy to use, personalized experiences that cut training time up to 50%
- Seamless integration with best-in-class providers, including HR, CRM (i.e., Salesforce), meeting management (i.e., Zoom) and much more
- Unparalleled service and support from dedicated, in-house reps

“

Absorb has the right set of capabilities that met all of our criteria, including scalability, administration ease and flexibility, reporting capability and excellent user experience. It has all this at a great value and a simple, straightforward price model.

– Security Innovation, Inc.

“

Absorb LMS is great, and the customer service is even better. The Absorb LMS help desk and technical and creative staff have played an integral role in ensuring our overall satisfaction with the LMS.
