

ADP Marketplace Partner Spotlight

Deputy

January 2020

Deputy's best-in-class scheduling and time tracking solutions can help reduce wasted payroll by up to 10% and time spent managing the schedule by up to 80%.*

Key Verticals: Retail, Fast Food Restaurants, Healthcare

Deputy simplifies scheduling, timesheets, tasks and communication for businesses in the retail, QSR, and healthcare industries. The platform navigates compliance requirements of local workplace laws globally with ease and helps business owners to transform their operations and empower their people to work the way they want.

More than **185,000 workplaces in 100 countries** have used Deputy to manage **over 2 million shift workers**. Whether you are a local quick serve food restaurant or a global retail company, you can use Deputy to make work life easier.

Thanks to Deputy, you can spend less time worrying about your business, and more time doing what you love most. Here are our customers favorite features:

1. **Scheduling** – Create fully costed employee schedules in no time. Approve timesheets in Deputy and Notify everyone with just one click and seamlessly export to ADP with RUN Powered by ADP® and ADP Workforce Now®.
2. **Time & Attendance** – Easily capture when and where your team works for greater HR compliance, payroll accuracy, and insight into workforce productivity.
3. **Communication** – Give your staff an easy way to stay informed, share important messages, and contribute to the workplace conversation via their mobile devices.
4. **Integrations** – Integrate with your POS data to optimize scheduling. Connect with ADP Payroll to create a seamlessly connected business.

Deputy understands compliance can be complex to understand. We can help!

Deputy helps business owners in the retail, QSR, and healthcare industry navigate United States federal, state and local wage and hour requirements by keeping customers up to date about changes to applicable laws, regulations, and ordinances to enable them to continue to meet the responsibilities they have under the law.

The following compliance workflows are supported:

1. Overtime
2. Meal / Rest breaks
3. Predictable Scheduling / Fair Work Week
4. Off-the-clock work
5. PTO / Accruals
6. Wage Theft Alerts
7. Workers' Compensation
8. Minors
9. Timecard Rounding
10. Unemployment Claims

* Based on Deputy internal data
