

ADP Marketplace Partner Spotlight

Comeet

Elevate your hiring experiences with Comeet.

Comeet's award-winning recruiting platform and services are redefining the hiring experience for everyone involved: candidates, recruiters, hiring managers and beyond. The applicant tracking software helps everyone stay in sync across the hiring process so you can make the best hires on time. The services help you scale your hiring efforts to meet growth timelines.

More than 70% of Comeet customers improve time to hire after turning to Comeet¹ — start using Comeet to transform your hiring.

Optimize your candidate experience.

Automate the process of uncovering what candidates think about you, in order to make informed decisions to improve your candidate experience. Track progress every step of the way with candidate experience reports and KPIs.

Collaborate across teams.

Focus on building great relationships; Comeet has the communication ins and outs covered. Lean on automatic updates, candidate feedback surveys, chat tools, reminders and more.

Automate your workflows.

Say goodbye to manual work with dozens of automated tasks like AI-driven assessments, interview scheduling and prep, reminders and more.

Plan for the future.

Comeet's 25+ insights dashboards and 150+ reports enable you to accurately plan future recruiting efforts based on how you've filled past positions.

The Value of ADP Marketplace

Get everything you need to manage your people better, from hire to retire. Say goodbye to siloed systems, and hello to powerful HR apps all in one place — connected to your ADP solution.

- Easy and secure
