ADP® Marketplace Partner Spotlight

## OfficeWork Software OrgChart Now

February 2016

The days of spending too much time creating accurate org charts are over.

### Simplify & Save on your Organizational Charting Solution

OrgChart Now helps you create and customize up-to-date organizational charts with a click of a button. Shape the future of your company with real-time updates to your HR data.

*OrgChart solutions used and trusted by over 8,000 companies worldwide.*

### Reduce Cost and Improves Quality

OrgChart Now is one of the leading cloud based Organizational Charting Solution – as an integrated ADP partner the process has never been easier!

- Quickly assemble organizational charts from your ADP HR Data, automatically
- Easy planning and modeling streamlines your workforce planning process
- Share org charts that include HR metrics: headcount, span of control, and performance

*OrgChart Now provides the ability to create, model and share your organizational charts quickly and efficiently in PowerPoint, PDF, HTML or as URL to embed into your intranet for a corporate directory.*

### Time Savings through Direct Connectivity

- OrgChart Now connects directly and securely to your ADP account so you can automatically import your employee information and create your org charts in minutes
- As the HR data changes, simply click the data refresh button to automatically update your org charts

*Experience OrgChart Now with your 14 Day Free Trial!*

Get everything you need to manage your people better, from hire to retire. Say goodbye to siloed systems, and hello to powerful HR apps all in one place — connected to your ADP solution.

- Easy and secure
- Seamless integration
- Single sign-on

Visit OrgChart Now on ADP Marketplace to learn more and take advantage of our free-trial offer:
