GoalSpan with ADP Workforce Now®
For Your Best Performance

EXECUTE GOALS

Customize goals or OKR's. Keep goals up to date over the lifespan, track edits, and make progress notes for future reference and review. Get notified of updates.

ALIGN TEAMS

Sync employee activities with key business objectives. Measure performance, encourage core values, and promote achievement of what is most important.

RUN REVIEWS

Create custom review content, workflows, and ratings with ease. Review goal achievement and feedback and make better talent management decisions.
