

ADP Marketplace Partner Spotlight

GoalSpan

Powerfully simple performance management

GoalSpan is a modern performance management app employees and managers love to use. Customize goal setting and reviews, promote a culture of feedback, and conduct surveys, all in one place — connected to your ADP Workforce Now® platform.

Execute goals.

Customize goals or OKRs. Keep goals refreshed, track edits, and make progress notes for future reference and review. Get notified of updates.

Align your teams.

Sync employee activities with key business objectives. Measure performance, encourage core values and promote achievement of what's most important.

Run reviews.

Create custom review content, workflows and ratings with ease. Review goal achievement and feedback to help make better talent management decisions.

Promote feedback.

Easily give praiseworthy or constructive feedback between teams, managers, employees, peers and executives. Include feedback posts in performance reviews.

Help get better information.

Create and run custom surveys to capture anonymous leadership feedback, strategic planning, employee experience or exit interviews. Know where you stand.

Help improve your decision-making.

Analyze performance data by group, employee, manager, department, division or location. Evaluate top and bottom performers by goal achievement or rating data.
