What are the main differences between Trusaic and other ACA compliance providers?

Trusaic provides extremely extensive ACA support. Our unique, fully administered ACA service model can result in dramatic time savings for your HR staff, generating more value for your dollar.

Trusaic sets up your monthly ACA compliance process for you. We retrieve, aggregate, clean, consolidate and validate the accuracy of your data monthly using our proprietary Workforce Analytics Machine (WAM) technology. WAM identifies data errors and anomalies that drive IRS penalties. WAM compares data from multiple systems to accurately determine which employees should receive offers of coverage. Clean, accurate data is essential to avoid triggering ACA penalties issued by the IRS.

Does ACA Complete have an app?

Yes, the ACA Complete by Trusaic application is accessible via the web or through a mobile browser on a smartphone or tablet.

What does the ACA Complete integration with ADP® do?

ACA Complete by Trusaic enables single sign-on for easy user access between applications.

TRUSAIC

Will Trusaic represent our organization in an audit?

ACA Complete includes audit defense assistance to IRS penalty notices and exchange notices. Organizations that have already received an IRS penalty notice, such as letters 226J or 5005A, can take advantage of Trusaic's penalty reduction service, which can either significantly reduce or eliminate the proposed penalty assessments.

How long does setup take?

Depending upon the complexity of your organization, implementation can be completed within four weeks — sometimes faster.

Once ACA Complete has been activated, what are the next steps?

You will be assigned an ACA specialist, who will schedule an implementation call to outline the ACA compliance process and answer your questions.
