

## ADP MARKETPLACE PARTNER SPOTLIGHT

# ACA Complete<sup>SM</sup> by Trusaic

### Remove the burden of Affordable Care Act compliance from your overwhelmed HR staff

Trusaic's dedicated ACA specialist will manage your ACA compliance for your organization. Your specialist will be available to answer your questions, review critical monthly items to ensure compliance, and provide course correction when necessary. You'll also have use of our data consolidation process for maximum data accuracy. Relax and feel confident that Trusaic's team of experts have you covered, knowing the entire process from monthly monitoring to annual filing will be done and done right.

### Avoid the paperwork nightmare

Trusaic's ACA Complete integrates with ADP Workforce Now®, so you'll no longer have to populate onerous ACA templates. Trusaic automatically retrieves, aggregates, cleans, consolidates and validates all the data necessary to prepare your monthly compliance package and annual filing with the IRS by all required deadlines.

### Full setup and monthly monitoring

Your dedicated ACA specialist will set up your ACA compliance tracking and determine on a monthly basis which employees require offers of coverage. Your specialist will resolve any discrepancies, distribute 1095-Cs to your employees and file with the IRS, fully supported by Trusaic's team of ACA compliance experts.

### IRS audit and exchange notice defense

ADP® customers who use Trusaic's ACA Complete can rest assured that they are ACA compliant. Organizations that have already received an IRS penalty notice, such as Letters 226J or 5005A, can take advantage of Trusaic's penalty reduction service to either significantly reduce or eliminate the penalty assessments.

### Unlimited, on-demand expertise

You have immediate, unlimited access to your ACA specialist, who understands the nuances of the ACA reporting compliance and answer any questions you have.

### The Value of ADP Marketplace

Get everything you need to manage your people better, from hire to retire. Say goodbye to siloed systems, and hello to powerful HR apps all in one place — connected to your ADP solution.
