

ACA CompleteSM

Monthly Compliance and Annual Reporting

A Full-Service ACA Solution

Trusaic's ACA CompleteSM helps employers reduce risk, avoid ACA penalties, and achieve 100% compliance. ACA CompleteSM can be found on the ADP Marketplace, and works seamlessly with ADP. Our one-stop, full-service solution provides your organization with an extensive suite of ACA services – from monthly employee tracking, to IRS reporting and penalty response management.

Monthly ACA Monitoring

Includes the following key performance indicators:

- 4980H 95% pass/fail compliance percentage
- 4980H (a) penalty exposure amount
- 4980H (b) penalty exposure amount
- Required offers of coverage with four-month projection
- Missing offers of coverage

A Trusted Partner

We are the solution insurance brokers and accountants turn to when their clients have to defend themselves against ACA penalties or when they have clients using the Look-Back Measurement Method. Our world-class Net Promoter Score of 75 is proof that our clients and partners trust us to get the job Done and Done Right.

Better Than Do-It-Yourself Software

ACA compliance is complex. From disparate data sources, Trusaic curates, cleans, and consolidates both structured and unstructured data to ensure accurate, on-time filing at both the federal and state levels. We combine state-of-the-art analytics with regulatory expertise to identify and address the errors that trigger ACA penalties. Unlike do-it-yourself software, our ACA specialists manage the entire process for you, and are available to answer all of your regulatory and technical questions, no matter how complex.

Reduce risk. Avoid penalties. Achieve 100% ACA compliance.
