We've got you covered

OMEGA BENEFIT STRATEGIES is an innovative employee benefits firm specializing in Consumer-Directed Health Plan Administration, as well as COBRA and Premium Administration services. Our flexible, fully-integrated service platform provides customized solutions for employers of all sizes across the country.

OMEGA has a long history providing these assorted administrative services.

- 1994 We began with Flexible Benefits Administration
- 1999 Omega added COBRA and Premium Administration as part of its service platform
- 2009 Transportation Benefit Plans, along with HRA/HSA plan services were added

TODAY Omega represents over 200 commercial and public sector entities and continues to push boundaries, providing cutting-edge products & services to over 250,000 employees & union members.
