

ADP Marketplace Partner Spotlight

Absorb LMS

Empowering people and organizations to excel through learning

Absorb is a global provider of cloud-based learning management software (LMS) that helps organizations manage, deliver and track their learning and development efforts across employees and external audiences. Our solutions empower organizations and people to excel through learning.

Help boost learner adoption, engagement and performance.

Break away from outdated technology to create learning programs that reflect your organization's culture, brand and business objectives.

- Deliver an intuitive, responsive experience at the forefront of design and usability.
- Project the qualities that make your organization unique with a user interface that is 100% customizable.

Advance the productivity of your administrative staff.

Ensure your administrative staff focuses on the work that matters most. Absorb is proven to reduce administrative time by up to 50%.¹

- Help save time on administrative through Absorb's ease of use, deep configuration capabilities and "set it and forget it" business rules.
- Benefit from faster time-to-training and decreased time to proficiency for learners.

Tie your learning efforts to business outcomes without missing a beat.

Tying your organization's business outcomes to your learning programs can be challenging. Let us help.

- Receive actionable insights related to your learning programs through our reporting and analytics capabilities.
- Prove the ROI for your learning program with a wide variety of standard and customizable reports, dashboards and more.

The Value of ADP Marketplace

Get everything you need to manage your people better, from hire to retire. Say goodbye to siloed systems, and hello to powerful HR apps all in one place — connected to your ADP solution.

- Easy and secure
- Seamless integration
- Single sign-on
