How does Quinyx onboard new customers?

1. New customers will receive a welcome email and call from Quinyx's Customer Onboarding Team, outlining the process moving forward, sharing e-learning resources, and scheduling the project kickoff meeting. Their role is to support you and provide as smooth an implementation as possible.
2. Customer Onboarding will put together a detailed project plan and ensure transparency of action items; When they need to be done and whose responsibility they are.
3. Once the core configuration is done, we will train your local managers on using the systems before granting access to all employees you wish to have access to download it.

How long does it take to onboard a new customer?

Quinyx's customer onboarding team is a dedicated group with a strong track record of delivering large implementations in 3–6 months, depending on complexity. Specific implementation timelines will vary depending on factors including organization size, the number of Quinyx modules that will be leveraged and the amount of divers/complexity of the forecasts.

How much does Quinyx cost?

Quinyx pricing depends on three drivers:

1. Number of users.
2. Modules being leveraged.
3. Complexity of configurations and forecasting needs.
