Meevo® 2 by Millennium Systems International

A leading cloud-based business management solution

Meevo 2 offers a leading cloud-based business management solution for the beauty and wellness industries, offering powerful business-growth for single location and multilocation businesses of all sizes. Millennium Systems International's Meevo® 2 Connector for Workforce Now Powered by ADP® (Workforce Now) allows you to efficiently upload payroll data right from Meevo 2 into Workforce Now, eliminating the need to enter timesheets prior to processing payroll. To use this integration, you must have a subscription to Millennium System International's Meevo 2 cloud software.

Map employees to ensure employee data is synced on both platforms.

By mapping your employees between Meevo 2 and Workforce Now, you can be sure that data associated with an employee in Meevo 2 remains associated with that employee in Workforce Now.

Map wage and commission from Meevo 2 to earning codes in Workforce Now.

Mapping your Meevo 2 wages and commissions to ADP earning codes ensures that your employees' earnings in Meevo 2 are allocated to the appropriate earning codes in Workforce Now.

Seamlessly submit payroll to Workforce Now.

You've taken the time to ensure your employees have the correct hours, work activities, commissions, vacations and more. Rather than do the extra work of duplicating this information in Workforce Now, you can process and submit payroll to ADP right from Meevo 2, saving time and reducing errors.

Easily track payroll submission.

After submitting your payroll to ADP, you don't need to worry about accidentally resubmitting a payroll. Easily discern which payroll periods in Meevo 2 have been sent to ADP and, if needed, review detailed logs.
