Tapcheck

Help drive productivity, promote financial wellness and improve business performance

Tapcheck paves the way for financial wellness by giving employees on-demand access to the wages they've earned. Available at no cost to employers, Tapcheck's early wage access program uses an intuitive mobile app to give workers greater control over their finances, which reduces their stress at home and increases their productivity at work. Thanks to Tapcheck's seamless integration with RUN Powered by ADP® (RUN), you can enjoy a cost-effective way to help distinguish your company from competitors, reduce turnover rates, and provide the financial flexibility that employees want.

Help increase retention and productivity.

Research has shown that financial stress is one of the leading causes of employee turnover and decreased productivity at work. Giving employees the ability to get their earnings on demand is a simple and effective way to combat the effects of financial stress, show employees that they matter, and create a positive work environment that people want to be a part of.

Help improve employee wellness.

Tapcheck helps reduce financial stress and encourages overall wellness by giving employees instant or next-day access to the money they've already earned.

Implement with no cost or risk to your businesses.

From registration to implementation, Tapcheck services are available at no cost to employers.

Easily integrate with ADP®.

Tapcheck uses innovative technology to provide a user-friendly experience for employers and employees alike. Tapcheck's advanced operating platform works seamlessly with RUN and almost any time-tracking system. Simply register with Tapcheck, provide basic banking and payroll information, and Tapcheck will automatically track hours worked and employee transfer requests. Once your company is registered, employees can sign up and access their earnings with ease using the Tapcheck app. Simple, seamless and stress-free — that's Tapcheck!
