7shifts

Streamline your restaurant's payroll and communications to help reduce labor costs

7shifts helps restaurants streamline payroll to help reduce human error that can occur through a manual payroll process. We're a leading restaurant-employee scheduling solution trusted by over 250,000 restaurant professionals across North America, Europe, the Middle East and Australia. 7shifts is used by businesses from established independent restaurants to growing multi-unit restaurant groups including Panera Bread, Xi'an Famous Foods, Andy's Frozen Custard, Black Rock Coffee Bar and many others. More than a scheduling platform, 7shifts empowers restaurant managers to optimize their workforce to help reduce labor costs and streamline team communication to build a better restaurant.

Save time on scheduling and communications.

Help get hundreds of hours and thousands of dollars back in your bank with employee scheduling built for your restaurant. 7shifts helps restaurant owners and managers spend up to 80% less time scheduling and streamline team communication to reduce calls and texts by up to 70%.¹

- Build a complete schedule in minutes with labor targets, budgets and employee availability built in.
- Track and enforce employees' hours, overtime and breaks from any device.
- Keep your staff connected with in-app chat, team announcements, schedule notifications and shift reminders — all in one place.

Improve your restaurant operations and reduce your labor costs by 3%.¹

Help reduce labor costs by up to \$2,000 every month¹:

- **POS integration:** Sync sales and labor data, enforce schedules, sync wages and more to create labor-optimal schedules and make smart business decisions on the fly.
- **Labor compliance:** Help avoid costly penalties and violations with customizable labor compliance rules that you control. Plus, get real-time alerts for breaks, meals, overtime and more.
- **Track performance:** Detail your restaurant's performance, labor cost, and employee engagement and accountability with our robust reporting.

Start saving dozens of hours on scheduling and thousands of dollars a month¹ on labor with smarter labor management from 7shifts.
