BUSINESS AUTOMATION SERVICES

BUSINESS AUTOMATION-FROM DOCUMENT GENERATION TO CONTRACT NEGOTIATION, E-SIGNATURES AND PAYMENTS

ABOUT OUR BUSINESS AUTOMATION PRACTICE:

OMI serves our Partners and Customers with Digital Transformation, Managed Services, and Business Automation deliverables across leading cloud platforms like *Salesforce, NetSuite, Microsoft* and others. Our engagements are 100% guaranteed and backed with the talent to deliver success on the airSlate Platform.

WHY AIRSLATE: NATIVELY INTEGRATES WITH HUNDREDS OF CLOUD SERVICES

The airSlate Platform allows businesses to democratize data and workflows across key departmental areas like *Sales, Marketing, Operations, IT, Human Resources, Legal and Finance.*

At OMI, we leverage airSlate to assist companies in maximizing automation and key workflows to conduct business across disparate business silos. Define the business process and airSlate orchestrates the rest!

WHAT ARE THE BUSINESS CASES:

ANY MANUAL PROCESS LIMITING EMPLOYEES FROM CONDUCTING BUSINESS EFFECTIVELY

There are hundreds of use cases for airSlate! Start with areas that affect cashflow, automate quoting, contracts, orders and payments. Move to general workflow efficiency improvements at departmental levels once priority Digital Transformation objectives are achieved.

WHEN TO GET STARTED WITH AIRSLATE:

The Business that is faced with the **"do more with less challenge "** and adding headcount is not always an option!

The airSlate platform is a great investment for key efficiency improvements when a business is burdened by intensive manual processes across departments.

The airSlate Platform is a key factor in a Digital Transformation Strategy when the business is having trouble competing in the market due to legacy and/or incompatible business platforms that are obstructing sustainable revenue growth.

THE OMI AIRSLATE OFFER:

The airSlate Platform can be utilized by non-technical employees. However, for businesses embracing broader business process change and cloud to cloud automation, OMI assists in the following areas:

- Digital Transformation Consulting
- Getting Started Workflows Set Up
- Cross Platform Automations to *Salesforce, Microsoft, NetSuite* or other Business Cloud Platforms
- Monthly Managed Services- OMI manages your airSlate platform and associated ongoing business process improvements.
