## TalentReef<sup>SM</sup>

### Talent management platform purpose-built for location-based, high-volume hiring

TalentReef connects great companies with great candidates through a single, easy-to-use platform built to simplify location-based hourly workforce recruiting, hiring and retention, at any scale. We combine everything we have learned from serving diverse national brands and over 100,000 locations with flexible, integrated software to transform the end-to-end talent management experience for HR, managers and business owners.

#### Help find candidates quickly.

Candidates want a simple, quick way to find jobs and apply. We go beyond simple job boards with features that drive a fast hourly employee recruiting experience.

- Text recruiting
- Branded career pages
- Automated interview scheduling
- Campaign communications
- Job boards
- Applicant tracking
- Talent community

#### Help decrease time to hire.

Hiring is complex and requires immediate responses to get the best candidates. Your hiring managers need an automated system that streamlines hiring and compliance — decreasing time to hire.

- Onboarding
- Compliance
- Integration with ADP Workforce Now®
- Reporting/analytics
- Two-way text communications

#### Help reduce churn.

Employees need to feel engaged or they'll find another opportunity. Mobile-optimized tools and experiences are the cornerstone for engaging today's hourly workforce.

- Employee self-service
- Virtual training and development
- Goals-based performance management
- Employee communications
