

Velocity Global

COMPANY PROFILE

THE WORLD IS YOURS

Hire, pay, and manage your dream team anywhere, without limits.

Who We Are

Velocity Global gives you the power to build your team everywhere—combining seamless technology and local expertise in 185+ countries. We make it simple to compliantly hire, pay, and manage talent anywhere. With Velocity Global, the world is yours.

Build Your Global Dream Team

- 01 Expertise everywhere.** Our on-the-ground experts in 185+ countries have the legal and cultural know-how for taking on new markets, no matter how complex.
- 02 Tech for global dream teams.** Our platform makes it intuitive and simple to hire, pay, and manage top talent wherever your workforce goes.
- 03 Always there for your people.** We keep local support staff on call to make sure your talent feels personally valued and supported.
- 04 Driving the future of work.** We're a remote-first company with the experience and vision to keep you at the forefront of what's next in distributed work.

Employer of Record

- **Regional compliance.** Local experts in HR, payroll, and employment ready to help mitigate any risks that may arise globally.
- **Streamlined hiring.** HR experts ready to get your talent set up and started in as little as 48 hours.
- **Accurate and compliant payroll.** Our global payroll capabilities get your people paid right and on time while complying with local regulations.
- **Effortless workforce management.** Employee data tools to keep you on top of every team and department.
- **Mobility services.** Immigration support for relocating talent across the globe.
- **Reporting + analytics.** Make informed decisions to give talent the best overall experience.
- **Always-on assistance.** Around-the-clock human support for businesses and talent, no matter the time zone.
- **Integrations + automation.** Our SaaS platform integrates with ATS and HRIS systems to minimize hiring and employment management errors.

No matter what you do, Velocity Global can help you do more.
