

Tapcheck

# It costs you nothing to save \$10,000 per year.

Tapcheck makes businesses more profitable by giving employees **instant access to their earnings.**

## Same-Day Pay

The financial benefit that employees want

**72%** of US workers want on-demand access to their wages

Only **6%** actually have that option

## What could on-demand earnings do for your business?

**Save up to \$10,000**  
in replacement costs per employee

Reduce Turnover

**Save \$4,000**  
per position hired

Lower Recruitment Costs

**Save \$1,685**  
per employee from lost productivity

Boost Productivity

Tapcheck encourages financial wellness, boosts employee retention, and increases workplace productivity — **all at no cost to you.**

\*Employee minimums may apply.
