

Payfactors API for ADP Workforce Now®

Gain a competitive edge in the market with a seamless integration between Payfactors and ADP Workforce Now

Seamless integration with ADP®

Make strategic compensation decisions for your business by combining your workforce data in ADP with Payfactor's robust datasets and propel your business' goals by creating a transparent and effective pay strategy.

Save time and increase accuracy with automatic data syncs

Stop spending time manually uploading your workforce information. The Payfactors Connector seamlessly syncs employee information with ADP Workforce Now, doing the work for you so you can focus on your business.

Keep data safe and secure

Keep your data safe with Payscale's rigorously secure and trusted platform, while maintaining your admin-controlled user roles. Data will move directly from ADP Workforce Now to Payfactors, removing any potential threats.

Maintain data autonomy

The Payfactors Connector puts you in the driver's seat to authenticate your connection, map your data, and run automatic data validation all within a few minutes.
