360learning

UKG Partner Network

Key Benefits

- Automate L&D busywork in a few clicks with GenAI authoring
- Leverage AI to identify and grow the skills you need
- Power your upskilling flywheel with collaborative learning academics

Visit 360Learning in the UKG Marketplace to learn more.

UKG Partnership: 360Learning

- **Build a culture of collaborative learning and win the battle for skills**
- Deliver L&D impact with 360Learning and UKG. Empower experts with AI to share knowledge and drive skills-based learning across every role – frontline, corporate and external

The integration with 360Learning allows you to automatically synchronize data and boost engagement with:

- User provisioning: automatic user sync between both systems
- Group assignment: assign rules so users are automatically assigned to groups in 360Learning
- AI-Powered course authoring, personalized learning, collaborative academies
