

Cheetah

Employee and Family Cyber Services

Welcome!

Welcome to OBC Cheetah! Your organization has completed an annual subscription to OBC Cheetah for all employees and their households. With these leading cyber services in place, we will monitor your corporate email address for any cyber threats that we detect, monitoring the worldwide web globally 24/7. Should we identify a threat, you will be notified via email or text immediately. More than just informing you of a threat, we provide immediate guidance on how to mitigate this threat and our Cyber Advocates are on call to assist you.

Cyber services not just for employees, but for your entire household!

Most households will experience a cyber threat this year. Whether identity theft, social media compromise, ransomware, phishing, cyber bullying, or home title fraud, we provide response and recovery services to your entire household. We understand that these cyber threats have become more common and serious, posing significant potential impacts on your family's safety, privacy, reputation, and financial wellbeing. We are here to help with experienced support, online educational resources, easy to use cyber tools, and weekly insights. Our partners and staff bring decades of cyber resolution experience and will make cyber simple for you.

Online Fraud

Ransomware

Malware

Phishing

Cyber Bullying

Home Title Fraud

Social Media Compromise

Identity Theft

Stolen Passwords

Your privacy matters. Today's cyber threats have become more complex and can be very distracting, time consuming, and result in serious harm. Your privacy and information security are our top priorities. If you or a family member require our assistance, we will assign a dedicated cyber advocate to you. Any information collected in the remediation of your event is carefully gathered, encrypted, and applied in accordance with OBC's strict privacy protocols and governing laws. We will do the heavy lifting so you can focus on getting things back to normal. **Welcome to One Brightly Cyber. Welcome to peace of mind.**
