

# Paychex-QuickBooks® Online Integration

**Accounting Professionals: Don't forget to ask your clients for access to their information.**

With Paychex Flex® General Ledger, you can easily connect your QuickBooks Online accounting package and post payroll entries to your general ledger (GL) in seconds, reducing the time, effort, and potential for errors that can occur with manual data entry.

## What you'll receive

**Direct integration.** Once released, your payroll data will post securely and automatically from Paychex Flex General Ledger to QuickBooks Online.

**Data imported to your chart of accounts.** You'll be able to see in real-time your GL information in QuickBooks Online dimensions — Accounts, Employees, Organizations, and Classes

## How it Can Help Your Business

**Time savings.** No more time-consuming, manual data entry. Payroll data will post directly to your QuickBooks Online account.

**Convenience.** A seamless, accurate, and secure flow of general ledger information into QuickBooks Online. Plus, with AccountantHQ, you'll be able to manage all client data from a single platform.

**Help when you need it.** Paychex Flex General Ledger support is available Monday to Friday, 8 a.m. to 8 p.m. ET, at 877-456-6317.

**“The integration has been simple and seamless. The bookkeeping process is much more accurate and efficient.”**
