

Not just another ATS

Ashby is the modern, all-in-one recruiting platform that combines ATS, Sourcing & CRM, Scheduling, and Analytics into a single solution.

1 All-in-one recruiting

Increase efficiency while eliminating add-on costs and complexity. Streamline your workflow with a single tool.

2 Powerful Analytics

Get real-time data and actionable insights to optimize your hiring process. Self serve and slice the data any way you want.

3 Works hard for your team

Automation, customization and visual workflows make your life easy. Design and execute your perfect hiring process.

"We can't get candidates efficiently through our process..."

"We still spend too much time manually creating reports..."

"We have too much on our plate to focus on candidate experience..."

"Finding/booking candidates is a huge bottleneck right now..."

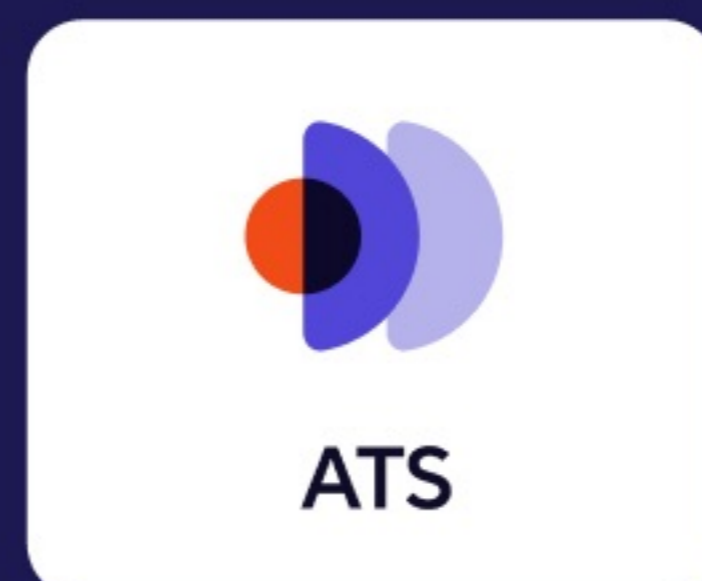

Scheduling

Powerful scheduling automation

Sourcing + CRM

Source, engage and track passive candidates

ATS

Ease of use, automation and customization

Analytics

Real-time reliable data and actionable insights

50% Reduction in time to hire

3+ Hrs saved weekly with built-in reporting

14% increase in offer acceptance rate

20+ Hrs saved each week with native scheduling and sourcing
