Harri

The Total Talent Solution

February 2017

One of the most complete and user-friendly Source & Hire solutions, designed for the hospitality industry.

The Harri Total Talent Solution (TTS) enhances every aspect of managing your people, from the candidate journey through to the employee experience. The Source and Hire modules together provide a powerful suite of tools to help companies attract, discover, engage and seamlessly on-board the right candidates and retain them longer.

Harri's talent solutions are used and trusted by over 8,300 companies worldwide.

The integrated TTS combines multiple software systems into one - saving up to 68% in hiring time.*
Harri is a cutting edge hospitality focused talent solution – as an integrated ADP partner, the hiring process has never been easier!

- Source, screen, interview and assess talent more efficiently.
- Keep more of the right talent in your application funnel.
- Reduce time to hire and shorten turnover.

Harri's revolutionary technology allows hospitality businesses to significantly reduce employee turnover by creating highly engaging experiences tailored by target audiences.

Save up to 48% in hiring costs*

- Harri's all-in-one talent solution eliminates up to 10 existing software platforms.
- Paperless onboarding can save your business thousands of dollars a year.
- Mobile friendly, custom applications keep more talent in your hiring funnel, thus reducing the cost of employee turnover.
- Smart tools for filtering and tagging applicants allow for a collaborative work environment between you and your hiring team.
- Digital new hire induction eliminates paper and delivers a delightful employee welcome experience.
